

Dear Ladies & Gentlemen,

Society of India Automobile Manufacturers (SIAM) is the apex organization of automobile manufacturers of about 50 manufacturers across the country. I am pleased to represent SIAM and support the 2<sup>nd</sup> Asia Pacific Diesel Engine and Emission Summit scheduled to be held during 23-24<sup>th</sup> May 2019 in Bangkok, Thailand.

I look forward to speaking on "Strict Vehicle Emission Standards and Fuel Quality Road map including Implantation Challenges in India". During the Summit, I hope to meet policy makers, industry leaders, experts etc. from several countries of Asia and the Pacific for sharing success stories, experiences and challenges including cost effective solutions.

Yours' Sincerely,

Dr. Rashid Hasan,

Advisor, SIAM,
